

Olin College Grand Challenge Scholars Program Completion Form

This document certifies completion of the Franklin W. Olin College of Engineering Grand Challenge Scholars Program (GCSP). As a result of having completed the GCSP, the student listed below is eligible for a transcript designation outlining his/her accomplishment.

Instructions to the student: Print this form, complete it, SIGN it and drop it off at the StAR Center. This form must be submitted upon completion of the Olin GCSP or at the latest, by April 15th in the year of graduation.

With this designation of achievement, the F. W. Olin College of Engineering Grand Challenge Scholars Program Board does hereby declare that the student, _____, majoring in _____ and graduating in the year _____, has

- Satisfactorily completed all five of the curricular components for the Grand Challenge Scholars Program (GCSP) at F. W. Olin College of Engineering:
 - A comprehensive project in a Grand Challenge Area of _____;
 - A written interdisciplinary reflection;
 - Global experience;
 - Entrepreneurial experience;
 - Service learning experience;
- Actively participated in the GCSP community by taking initiative to assist others in the program;
- Satisfactorily completed a portfolio entitled¹ _____ that summarizes and reflects upon his/her GCSP experiences.

The student will receive the designation of “Grand Challenge Scholar” on his/her transcript. A description of this notation will be found on the transcript key:

Grand Challenges Scholar Designation: This designation recognizes participation in the National Academy of Engineering's Grand Challenge Scholars Program, which includes components of interdisciplinary work, entrepreneurship, service learning, global study, and in-depth research or work towards solving one or more of the NAE's 14 Grand Challenges.
